

# **Town Hall Meeting**

## **Tuesday, May 9th at 6:30PM**

### **10615 Green Mountain Falls Road**

## **Topic of Discussion:**

The Planning Commission invites you to participate in a conversation about how to improve the new guard rail on Park Avenue. PC will have notes from the previous “Coffee with the Mayor” meeting that featured the Engineer, Andre Brackin of Wilson & Co. A panel of experts will be in attendance as well as some members from the Board of Trustees. Please bring your ideas and questions to this important meeting.
