**RE: REVISIONS TO GREEN MOUNTAIN FALLS MUNICIPAL CODE**

---

This memorandum provides an overview of the portions of the Town's Code that have been revised, deleted, or amended as part of a project to redraft the Town's Code. Over the course of the past few months, the Town's attorneys have worked to update the Code in an effort to remain consistent with state law and to ensure the Code accurately reflects the Town's current practices and procedures. A majority of the updates to the Code were made in order to remove superfluous language and to remove sections that contained bulky procedural information that does not need to be contained in the Code and can be instead maintained internally by the Town (e.g., lengthy procedural and technical specifications on construction procedures).

The Town's attorneys worked with and received comments from the Town Manager, Town Clerk, and Town Marshal in making changes to the Code. Attached to this memorandum are Microsoft Word compare documents for the existing Code and proposed changes, identifying the changed material in each chapter. Below is an explanation of the major changes to each chapter, where elaboration was warranted. Minor changes were not addressed.

**Changes to Chapter 1**

**Article I:** Most changes to this Article were to remove superfluous language.

**Article IV:** The Town opted to increase its maximum fine from \$1,000.00 to \$2,650.00 pursuant to C.R.S. § 13-10-113. The Town also imposed imprisonment for up to one year under this same provision.

The Town is considering a "hybrid option" of authorizing the maximum \$2,650.00 penalty generally but providing for a reduced (\$500.00) fine cap and no potential jail time for certain low-level offenses such as traffic infractions, noise disturbances, littering, and animal related offenses which don't have state counterparts that would otherwise require a jury. This retains the Town's ability to collect higher fines on certain offenses (i.e., theft, harassment) while still reducing costs associated with jury trials, though not removing jury trials altogether as a possibility. With this option the Town essentially decriminalizes only part of its Code. While more work initially to determine which provisions may be decriminalized, this option does provide the Town with the ability to properly punish the more serious offenses without having to remove those offenses from its Code and thereby requiring the offenses to be written into county court rather than the Municipal Court. The Town has not yet identified which offenses to classify as "low-level," and may need to work with the Trustees in identifying which offenses to "decriminalize."

Relatedly, the definition of "misdemeanor" in Sec. 1-11 has been removed as this is a legal term that should not be interpreted differently by the Code, but should rather follow the interpretation of state statute. Future references to the term "misdemeanor" will be removed unless the context is fitting. Only the generic term "violation" should be used for a violation of the Code.

### **Changes to Chapter 2**

**Section 2-11:** Article XVIII, Sec. 11 of the Colorado Constitution was amended in 1994 to provide term limits for elected public officials in the state, including those for statutory towns. Therefore, this Section needed to be amended to comply with the Constitution and the Mayor is limited to three terms of two years in office rather than four. Amended to reflect the Town's decision in the 2018 election to move from 7 trustees to 5 trustees.

**Sections 2-20 and 2-21:** These Sections are important guidance for handling Town business at public meetings, but do not necessarily need to be in the Code. These were removed and will be adopted into a policy, rather than being contained in the code.

**Section 2-23:** This Section has been amended to remove the hearing process for ordinance adoption. Adoption of ordinances is typically a legislative act by the Board, and a hearing is therefore not required. Public comment can and should still be allowed at every public meeting where an ordinance is proposed for adoption, but allowing a full public hearing, requiring a workshop be held prior to consideration at a meeting, and requiring reading in full of the ordinance only serves to place additional unnecessary process on the Town. The Town could keep these provisions if it verifies this process is followed for every ordinance and still wishes to follow this process, but it is not recommended.

**Article III:** This Article regarding hearings has also been modified to remove unnecessary procedures that it is unlikely the Town follows. They have also been simplified. Former Section 2-56 (now Sec. 2-46) did not comply with the Open Meetings Law.

**Section 2-63:** The Town may set this requirement for a bond by Town officers if it so desires. We could alternatively set this amount in the fee resolution rather than in the Code.

**Section 2-66:** Officers are handled differently under state law than employees are. This section now follows the process of C.R.S. § 31-4-307.

**Article V:** This Article was previously reserved, and we have moved up the Code of Ethics to fill this space with minor revisions.

**Article VI:** Most deletions from this Article are already part of the Municipal Court Rules of Procedure, are inherent powers of a judge, or should be provided for administratively, and thus unnecessary for the Code. Most notably we have added provisions for contempt of court and for seeking collections on unpaid fees and costs, as well as restitution for victims. Under C.R.S. § 5-16-111.5 of the Colorado Fair Debt Collection Practices Act, a collection agency collecting on any debt arising from past-due fines or fees due to any political subdivision within the state can only charge 18% in additional fees and costs and this limitation has been incorporated into the Code. This Article will need to be revisited once we discuss decriminalization and penalties to ensure compliance before final adoption.

**Article VII:** This Article pertaining to the Town Marshal has not been altered very much, but some outdated and concerning provisions were taken out (special marshals, duty to aid). If there is no Town jail and if we decriminalize the Code this provision will need further revision. The bond amount may also be changed or moved to determination by resolution if the Town desires.

**Article VIII:** Parking code enforcement officers have now been added to the Code.

**Article IX:** This Article may be the biggest change in the Code so far and has been rewritten to have the Town comply with state emergency management statutes known as the Colorado Disaster Emergency Act, C.R.S. § 24-7-33.5, *et seq.* Under these changes, the Town Manager, and not the Mayor, holds most authority as the designated emergency manager with emergency manager powers as set forth in the statutes. However, the mayor is the backup authority should the Town Manager be unavailable, and it is still the Mayor who must first declare a disaster emergency.

### **Changes to Chapter 3**

As a preliminary matter, this Chapter has been renumbered from Chapter 4. There is no Chapter 3 in the current Code.

**Article I:** Removed the provision related to publication of financial statements because the Town voted in 2018 to no longer publish proceedings related to payment of bills, contracts, and rebates.

**Article III:** Removed the licensing section under the sales tax provision, because the Department of Revenue handles this and there are still business licenses required under Chapter 4.

Revenues from the 2% use tax should go to the general fund unless the Town is aware of any limitations placed on the use of these tax revenues when the tax was established. The 1% additional use tax is restricted by its establishing documents, as correctly reflected in the Code.

**Article VI:** This has been moved to Chapter 3 Revenue and Finance from Chapter 4 Franchises, as it better fits in the Chapter regarding revenues and taxes for the Town. The tax is still valid and the calculation has not changed. The penalty has been updated to reflect the new general maximum penalty.

**Article VII:** This has been moved to Chapter 3 Revenue and Finance from Chapter 4 Franchises, as it better fits in the Chapter regarding revenues and taxes for the Town. Emergency telephone service charges were recently addressed by HB-20-1293 and this Article needed minor changes to account for this updated statutory scheme. Legislation makes it clear this is not a tax, but a fee to defray costs of program, which means it will be easier for the Town to adjust the rates as needed to defray these costs. However, the fee cannot exceed the annual threshold amount established by the public utilities commission of the state of Colorado. This current rate is \$.50 per month. This is the also the current rate in the Code. The Town could remove the 2% alternative in the Code, however, as it reads currently, the Code still complies with the PUC rate as it is the lesser between these two options which will ultimately be charged.

#### **Changes to Chapter 4**

As a preliminary matter, this Chapter has been renumbered from Chapter 5 to account for the gap in the current Code where there is no Chapter 3. This Chapter has also undergone major revisions and we have deleted the actual franchise agreements from the Code as these were expired and also do not need to be adopted into the Code. Instead, we added basic provisions for implementing future franchise agreements which will not be enacted into the Code. We also moved the telephone tax and 911 surcharge fee to Chapter 3, as each of those better fits within the revenue and finance provisions of the Town.

#### **Changes to Chapter 5**

**Section 5-14:** The Section is new, as we want to limit the general penalty of \$2,650.00 to the lesser \$499.00 in these circumstances to avoid jury trials.

**Article II:** This Article has been converted into a business licensing fee, rather than a business occupation tax. The former tax likely violated TABOR in the manner in which the rate is set by resolution by the Board of Trustees, rather than approved by the voters at an election. Without further information from the Town as to how and when this tax was established and how the tax has been historically collected and the rates at which this tax has been imposed, the tax is very likely unconstitutional. The Article was originally titled "business licenses" and the Town does

currently collect a fee to issues business licenses. Therefore, we think the intent of this section was to establish authority to issue business licenses and collect a fee for this issuance. We have therefore made changes to this Article to implement the same. The more general licensing requirements which apply to all licenses issued by the Town are addressed in Article I. If the Town would like to us explore further whether the business occupation tax is valid, we can do so if more information is provided.

**Article III:** This Article has been updated to the new statutory references in Title 44. We also needed to establish who the liquor licensing authority is, and have set this entity as the Board of Trustees. If this is incorrect and the Town uses another body as the Liquor Licensing Authority, this provision can be changed.

**Article VI:** This Article combines medical and retail marijuana prohibition into one article for "regulated marijuana" which follows the new statutory scheme under Title 44. All regulated marijuana sales remain prohibited in the Town. The penalty is criminal in nature.

### **Changes to Chapter 8**

For ease of use, this Chapter has not been renumbered. We will likely move another Chapter forward to fill the gap at a later time, or may reserve a chapter.

**Article I:** We have adopted the newest model traffic Code for the Town. This 2020 version has had good reviews from users so far and will provide the Town with the most up-to-date traffic regulations including new provisions mechanized equipment like e-bikes and e-scooters. Most major provisions of the previous edition of the model traffic code, which account for the most citations (speeding, careless and reckless driving, etc), remain unchanged. There was a disconnect between Sections 8-2 and 8-4 regarding what the general speed limit in the Town is to be. We have corrected this to 20 mph. The Town may decide to increase or reduce this but it need to be consistent in both Sections.

**Section 8-5:** This Section has been changed to comply with state law regarding right to jury in criminal traffic matters. Any person charged with a misdemeanor under counterpart state law or the Model Traffic Code will be entitled to a jury. For this reason, it is best not to reference the specific provisions that are criminal, as this might change over time. The Model Traffic Code does a good job of listing in the offense what the penalty is, and if it is a misdemeanor or noncriminal traffic offense. The fine for noncriminal traffic offenses has been capped at \$499.00 so persons charged under these offenses will be not be entitled to a jury. Paragraphs (e)(f) and (g) have been taken out of the Code and should be placed in the annual fee schedule. The Town still has the option of keeping these in the Code if it does not want to place these in the fee schedule.

**Article II:** Part 18 of the Model Traffic Code addressed abandoned vehicles on public property, so this section need only address abandoned vehicles on private property. Minor changes have been made to account for this.

**Article III:** This is new, and adopts the residential parking plan we drafted for the Town last summer. It is consistent with the Parking Services Agreement recently reviewed by us. That agreement goes into more detail over the establishment of parking areas and rates. The Code need only establish the means of violation and the parameters of the program.

### **Changes to Chapter 7 (Previously Chapter 11)**

Overall, most of the changes to this Chapter were made to remove superfluous language and superfluous provisions, to remove procedural provisions that can be addressed administratively, and to remove outdated provisions with the overall goal of condensing the chapter and ensuring clarity and uniformity throughout.

**Article I-II:** Added a provision regarding removal of snow and ice because this wasn't explicitly mentioned previously and condensed a few sections regarding the maintenance of sidewalks into Section 7-3. Removed many of the procedural provisions in Article II regarding construction and repair to streets and sidewalks and copied them over into a separate document in case the Town wants to house these elsewhere.

**Article V:** Removed some of the procedural information as to the presentations that need to be given in conjunction with land sales.

### **Changes to Chapter 10**

Again, most of the changes to this Chapter were made to remove superfluous language and superfluous provisions, and to remove outdated offense provisions.

**Article I:** Deleted the classification of violations section because it isn't necessary to designate each violation in the code as class 1 or 2 petty offenses. The Town's prosecutors likely already have fine and punishment schemes for all the violations the Town handles in municipal court that properly address the severity of each offense. We added a violation and penalty section at the end of Article I that cites to Section 1-42 and addresses restitution and penalties.

**Article II:** All changes to this Article were made to simplify and condense the provisions regarding offenses by or against public officers and government. We included a provision that addresses civilians being prohibited from impersonating Town police vehicles, per the Town Marshal's suggestion.

**Article V and VI:** Simplified and condensed provisions relating to theft and removed the offense relating to the use of "slugs" as it is rather outdated.

**Article VII:** Added marijuana definitions and updated language regarding possession of marijuana, public consumption of marijuana, drug paraphernalia and supply of marijuana to minors.

**Article VIII:** The language in this article was updated to make it unlawful for minors to consume any alcoholic beverages, and not just fermented malt beverages. We deleted the section regarding minors being prohibited in taverns, per the Marshal's comment. Taverns are not a defined term, and bars are free to prohibit anyone under the age of 21 from entering their premises. We did not remove Section 10-164 concerning fights at bars or disturbances, but it should be noted that this would be hard to enforce. If there are consistently fights or noise disturbances at a bar, the Town may issue a warning and threaten action against the bar's license. The Marshal noted that we should address liquor licenses for restaurants that have extended alcohol sales into their parking lots. This is currently being addressed by temporary modification of liquor license premises during COVID. However, some businesses may want to permanently alter their premises to include sales in newly configured outdoor spaces in parking lots or adjoining outdoor areas. Under CRS § 44-5-101 and Chapter 5 of this code, special licenses and permits can be acquired for liquor sales as well. If the Town is interested in offering another type of permit, this is something we can address. We have included language to allow the possession of unopened containers in conjunction with alcohol takeout and delivery.

**Article IX:** Most changes to this Article were made to simplify and condense the provisions related to offenses listed under this Article. The offense related to prohibiting publications inciting hatred and violence poses first amendment issues, and was removed. Publications are only illegal under state law if they make a direct call to violence or make specific threats of violence. We believe this provision is largely addressed by the harassment provision.

**Article XI:** The Town may want to consider expanding the curfew for minors to 12:00 a.m. to 5 a.m. on weekends and may want to consider including an exception for driving to and from place of employment (this is implied, but not explicitly stated).

### **Changes to Chapter 11: Annexation Chapter**

This chapter was previously repealed but we have drafted a short chapter outlining basic annexation procedures including submittal requirements, the required dedications, and planning commission review.

### **Changes to Chapter 18: Building Regulations**

This chapter adopts the 2017 Pikes Peak Regional Building Code, which includes electrical and plumbing codes. This chapter also adopts the 2018 International Fire Code. Article III of this chapter, concerning revocable permits for placing things on public property (e.g., newspaper stands, benches, kiosks), was moved to Chapter 7: Streets, Sidewalks, and Public Property.

Old Chapter	New Chapter	Notes on Sequence
1 – General Provisions	1	No change.
2 – Administration and Personnel	2	No change.
4 – Revenue and Finance	3	There is no current Chapter 3, so we moved this up to fill the gap.
5 – Franchises and Communication Systems	4	There is no current Chapter 3, so we moved this up to fill the gap following previous move up.
6 – Business Licenses and Regulations	5	There is no current Chapter 3, so we moved this up to fill the gap following previous move up.
7 – Health, Sanitation and Animals	6	There is no current Chapter 3, so we moved this up to fill the gap following previous move up.
8 – Vehicles and Traffic	8	Chapter 8 is typically traffic chapter for all municipalities, so we left this in place.
10 – General Offenses	10	We can keep this as Chapter 10 and leave a gap for Chapter 9. General Offenses is typically Chapter 10.
11 – Streets, Sidewalks and Public Property	7	Moved up to Chapter 7 to fill gaps.
15 - Annexation	11	
16 - Zoning		Outside counsel Handling
17 - Subdivisions		Outside Counsel Handling
18 – Building Regulations	18	Kept at 18 for now, but could change.

\* There will be a gap for Chapter 9 in our current sequencing. 16-18 could be moved up to be 11-13 if interested.

\* Town will need to order new summons' forms with updated references once adoptions made. We have run into this issue before.

Formatted: Font: Times New Roman, 12 pt, Bold

(a) There is levied on and against each provider operating within the Town, a tax on the occupation and business of providing basic local exchange service at retail to inhabitants of the Town.

(b) The amount and payment rates of tax levied shall be as follows:

(1) The monthly tax rate to be paid by all providers shall be calculated by dividing the current annual amount of business and occupation tax paid by the incumbent provider, by the total number of lines for which a charge is made to all inhabitants on January 2, 1998 by all providers, the result of which shall be divided by twelve (12). Such formula can be represented as follows:

<u>The incumbent's current tax liability</u>	<u>÷ 12 =</u>	<u>Per monthly line rate</u>
<u>Total lines of all current providers</u>		

(2) The tax levied against each provider shall be calculated each August, shall be effective on the following January 1 and shall be payable on a quarterly basis, specifically, on March 31, June 30, September 30 and December 31 of each year.

(3) Each new provider that first becomes subject to this Article during any calendar year shall calculate its tax for that calendar year, as stated in paragraph (1) above, using as the number of provider lines, the number in the new provider's initial line count under **Section 3-104**. Each such new provider shall prorate the tax from and including the month of the effective date, under **Section 3-103**, through the end of that calendar year. Each such new provider that first becomes subject to this Article within the first ten (10) months of a tax year shall pay that prorated tax in equal quarterly payments, beginning the month of its statement of new provider's initial line count under **Section 3-104** of lines, and ending

December 31 of that tax year. Each such new provider that first becomes subject to this Article during the last two (2) months of the tax year shall pay its total prorated tax within sixty (60) days of the effective date. For each such new provider, the tax for the following year shall be computed as stated in paragraph (2) above, using, as the number of provider lines, the number in either the new provider's initial line count, or its June 30 statement of lines for the preceding year (if any), under **Section 3-104**, whichever statement comes later.

**Sec. 3-103. - Effective date; schedule of payments.**

For each provider, the tax levied by this Article shall commence on January 1, 1998, or on the date the provider first provides basic local exchange service with the Town, whichever is later. Except as this Article may otherwise provide, the tax shall be due and payable in quarterly payments.

**Sec. 3-104. - Initial and annual statements of company lines.**

An incumbent provider shall, on January 2, 1998, determine the total number of lines for which it then provides basic local exchange service within the Town (the base line count), and shall, by March 15, 1998, file with the Town Clerk a statement showing its determined total number of lines. On June 30 of each calendar year, each provider then subject to this Article shall determine the total number of lines for which it then provides basic local exchange service within the Town. By July 30 of the same calendar year, each such provider shall file with the Town Clerk a statement showing its determined total number of lines. In addition, a new provider that first becomes subject to this Article during any calendar year shall, thirty (30) days after that new provider's effective date under **Section 3-103**, determine the number of lines for which it provides basic local exchange service within the Town (new provider's initial line count), and shall file its statement of that number within sixty (60) days after the effective date. All statements shall be in such form as the Town Clerk may require, including oaths, verifications or acknowledgments.

**Sec. 3-105. - Failure to pay; penalty; Town action to collect.**

If any provider subject to this Article fails to pay the taxes as provided in **Section 3-103**, the full amount thereof shall be due and collected from such company, and the same, together with an addition of ten percent (10%) of the amount of taxes due, is a debt due and owing from such provider to the Town. The Town may commence and prosecute to final judgment, in any court of competent jurisdiction, an action at law to collect the debt.

**Sec. 3-106. - Inspection of records.**

To enforce this Article, the Town and its officers, agents or representatives shall have the right, at all reasonable hours and times, to examine and copy the books and records of every provider subject to this Article. They shall use these books, records and copies only to enforce this Article. Except under a court order, or in connection with enforcing this Article, they shall not divulge these books, records or copies to any other person.

**Sec. 3-107. - Tax not on interstate commerce; not a franchise.**

The tax provided in this Article is upon occupations and businesses in the performance of local functions and is not a tax upon those functions relating to interstate commerce. None of the terms of this Article mean that the Town grants any provider a franchise.

**Sec. 3-108. - Tax in lieu of certain other consideration.**

The tax levied in this Article is in lieu of all other occupation taxes on any provider subject to this Article. It is in addition to any otherwise applicable ad valorem taxes and other taxes and fees. It is in lieu of any free service furnished the Town by any provider.

**Sec. 3-109. - Violation of Section 5-84; penalty.**

Upon conviction, the Municipal Court shall punish any officer, agent or manager of a provider subject to this Article who fails, neglects or refuses to make or file the annual statement of accounts provided in ~~Section 5-109~~ by a fine of not more than two thousand six hundred and fifty dollars (\$2,650.00). Each day after the statement becomes delinquent during which the officer, agent or manager so fails, neglects or refuses to make and file such statement is a separate and distinct offense.

**Sec. 3-110. - Offenses and liabilities to continue.**

All offenses committed and all tax liabilities incurred before amendment of this Article, under prior versions of the telephone utility tax, shall be and remain unconditionally due and payable, shall constitute a debt to the Town and shall be treated as though all prior applicable ordinances and amendments thereto were in full force and effect.

Competitive bidding is not required. However, even on these items, periodic telephone/online checks should be made to be certain the purchases are obtained at the lowest cost for the quality desired.

(3) Purchases of \$10,000 - \$25,000. A purchase in an amount of ten thousand dollars (\$10,000) to twenty-five thousand dollars (\$25,000.00) must be approved by the Town Manager. At least three written informal quotes must be solicited, unless an exception in **Section 3-133**, below, applies. When seeking written informal quotes, all quotes must be tabulated in detail and attached to the winning contract/invoice for future reference. If the recommended quote is not the lowest, an explanation must also accompany the contract/invoice.

(4) Purchases in excess of \$25,000. Any item for services, projects, or equipment in this category must be approved by the Town Board of Trustees. The formal bid process set forth in **Sections 3-134 and 3-135**, below, must be followed unless an exception applies. Responsibility for the advertising of formal bids will be that of the Department Director overseeing the purchase.

(5) Appropriation required. All expenditures for purchases shall be budgeted and appropriated. If a purchase is contemplated to extend beyond the current fiscal year, it must be subject to annual appropriation (unless otherwise permissible by elector vote or as determined by the Town Attorney).

**Sec. 3-133. - Comparative price quotations (between \$10,000 and \$25,000).**

(1) When the amount of a purchase is between ten thousand dollars (\$10,000.00) and twenty-five thousand dollars (\$25,000.00), comparative price quotes by telephone, in person, or in writing from at least three (3) vendors or contractors shall be solicited, unless:

(a) The Town Manager determines that the public interest would be best served by negotiated contract with a single vendor or contractor or with specific vendors or contractors possessing unique skills or products or by joint purchase with or from another unit of government; or

(b) The Town Manager determines that the public interest would be best served by obtaining the goods or services through the formal bidding process.

(2) In case of a declared or pronounced emergency affecting the public peace, health or safety, the Town Manager may waive all requirements for price quotes. In such cases, the Town Manager may direct the appropriate Department Director to procure emergency needs by informal, open-market procedures, at no more than current market prices, as expeditiously as possible.

**Sec. 3-134. - Formal bidding required (in excess of \$25,000).**

(1) Formal bidding procedures shall be followed when the amount of a purchase exceeds twenty-five thousand dollars (\$25,000.00), unless the Town Board determines that the public interest will be best served by negotiated contract with a single vendor or contractor or with specific vendors or contractors possessing unique skills or products, or by joint purchase with or from another unit of government.

(2) In case of a declared or pronounced emergency affecting the public peace, health or safety, the Town Manager, Mayor, or Board of Trustees may waive all requirements for formal bidding.

In such cases, the Town Manager, Mayor, or Board of Trustees may direct the appropriate Department Director to procure emergency needs by informal, open-market procedures, at no more than current market prices, as expeditiously as possible. If the Town Manager or Mayor waived such requirements, the Town Manager or Mayor, as appropriate, shall present a full report of the circumstances necessitating the emergency action at the next Town Board meeting with the potential option to extend the waiver of requirements for formal bidding.

**Sec. 3-135. - Formal bidding procedures and selection criteria.**

- (1) When formal bidding is required pursuant to **Section 3-134**, at least ten (10) days prior to the deadline for receipt of bids, a request or invitation for sealed bids shall be published at least once in an area newspaper, sent to three (3) or more potential bidders, or posted via electronic solicitation.
- (2) The Board of Trustees or Town Manager may pre-qualify vendors or contractors who wish to bid on Town purchases and limit acceptance of bids from such pre-qualified entities when determined to be in the best interests of the Town.
- (3) Sealed bids shall be opened in public at the time and place stated in the public notice, unless all bidders have been notified of a change in such time or place by written addendum. A tabulation of all bids received shall be available for public inspection.
- (4) After the bids have been reviewed, if the purchase will exceed the Town Manager's purchasing authority of twenty-five thousand dollars (\$25,000.00), the Town Manager shall submit a report to Town Board that contains an analysis of the bids, a recommendation for an award, and the reasons for the recommendation. The contract shall be awarded to the lowest responsible bidder meeting the bid specifications, unless it is determined that the public interest would be better served by accepting another bid. Unless otherwise prohibited by federal or state law, bidders which have maintained a physical location inside the limits of El Paso County for a period of more than 365 days prior to bid submission shall receive a two percent (2%) preference with respect to bid price and bidders which have maintained a physical location inside the limits of the Town of Green Mountain Falls for a period of more than 365 days prior to bid submission shall receive an additional two percent (2%) preference with respect to bid price.
- (5) In determining whether the public interest would be better served by accepting a bid other than the lowest bid, the following factors shall be considered:
  - (a) The bidder's skill, ability, and capacity to perform the services or to furnish the materials, equipment or supplies required;
  - (b) Whether the bidder can perform the services or furnish the materials, equipment or supplies promptly, or within the time period specified, without delay or interference;
  - (c) The bidder's character, integrity, reputation, judgment, experience, and efficiency;
  - (d) The quality of the bidder's previous performance;
  - (e) The bidder's previous and current compliance with statutes, ordinances and rules relating to the purchase;
  - (f) The sufficiency of the bidder's financial resources necessary to perform the services or deliver the goods;
  - (g) The bidder's ability to provide future maintenance or service; and

(h) The number and nature of any conditions attached to the bid.

(6) All bids may be rejected if it is determined that such action is in the public interest. Negotiations may be entered into with one or more bidders in an attempt to adjust the services, products, or bid price as the Town deems in the public interest, and no additional bidding shall be necessary.

**Sec. 3-136. - Amendments to purchase agreements.**

(1) The Town Manager shall have authority to approve an amendment to a purchase agreement when the change order does not exceed ten percent (10%) of the original agreement price and combined with the original agreement does not exceed the approved appropriation for said purchase.

(2) All other amendments to a purchase agreement previously approved by Town Board shall be approved or ratified by Town Board.

**Sec. 3-137. - Principles and ethics.**

Every officer and employee of the Town is expressly prohibited from knowingly:

(1) Seeking or accepting any personal gift or money directly or indirectly, from any person, company, firm or corporation in connection with a purchase.

(2) Underestimating or exaggerating requirements to a prospective bidder for the purpose of influencing bids.

(3) Misrepresenting the quality of a bidder's products or services.

(4) Influencing the Town to make a purchase that will benefit the officer or employee, either directly or indirectly.

(5) Approving a purchase in which any employee, elected or appointed officer of the Town has an interest, without the approval of the Town Manager or Town Board.

(6) No single purchase transaction shall be subdivided for the purpose of circumventing the dollar value limitations of this Policy.

**Sec. 3-138. - Special rules for procurements using federal funds.**

(1) No local or geographical preference shall be given to any vendor for projects in which the Town will receive or anticipates seeking federal funds as reimbursement for or contribution toward a Town contract or project. However, nothing in this Subsection prevents the Town from requiring a vendor to comply with any applicable state licensing laws or from applying such preference when federal law expressly mandates or encourages it. When contracting for architectural or engineering services, geographic location may be considered, provided that such consideration leaves an appropriate number of qualified firms to compete for the contract.

(2) Whenever the Town will receive or anticipates seeking federal funds as reimbursement for or any other form of payment or contribution toward a Town contract or project, the Town and any party contracting with the Town for such work shall take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps shall include:

- (a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business. and women's business enterprises;
- (d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
- (e) Using the services and assistance of the small business administration, and the minority business development agency of the department of commerce; and
- (f) Requiring general contractors, if subcontracts are to be let, to take the affirmative steps listed in subsections (2)(a) through (2)(e) of this Section.

If public funds are available to any other user of the Public Way for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall notify the Grantee of such funding and make available such funds to the Grantee.~~~~

- ~~(2) Relocation at request of third party. (c) No discrimination. The Grantee shall not discriminate or permit discrimination between or among any Persons in the availability of Cable Services or other services provided in connection with the cable system in the Franchise Area. The payment of franchise fees shall be made on a quarterly basis and shall be due within forty-five (45) days after the close of each calendar quarter. Each franchise fee payment shall be accompanied by a report prepared by a representative of the Grantee showing the basis for the computation of the franchise fees paid during that period.~~

(b) ~~Franchise fees subject to audit.~~

(2) ~~Upon the completion of any such audit by the Franchising Authority, the Franchising Authority shall provide to the Grantee a final report setting forth the Franchising Authority's findings in detail, including any and all substantiating documentation. In the event of an alleged underpayment, the Grantee shall have thirty (30) days from the receipt of the report to provide the Franchising Authority with a written response agreeing to or refuting the results of the audit, including any substantiating documentation. Based on these reports and responses, the parties shall agree upon a finally settled amount. For purposes of this Section, the term *finally settled amount* shall mean the agreed-upon underpayment, if any, to the Franchising Authority by the Grantee as a result of any such audit. If the parties cannot agree on a final settlement amount, the parties shall submit the dispute to a mutually agreed-upon mediator within sixty (60) days of reaching an impasse. In the event an agreement is not reached at mediation, either party may bring an action to have the disputed amount determined by a court of law.~~

(3) ~~Any finally settled amount due to the Franchising Authority as a result of such audit shall be paid to the Franchising Authority by the Grantee within thirty (30) days from the date the parties agree upon the finally settled amount. Once the parties agree upon a finally settled amount and such amount is paid by the Grantee, the Franchising Authority shall have no further rights to audit or challenge the payment for that period. The Franchising Authority shall bear the expense of its audit of the Grantee's books and records.~~

(c) ~~Oversight of Franchise. In accordance with applicable law, the Franchising Authority shall have the right to, on reasonable prior written notice and in the presence of the Grantee's employee, periodically inspect the construction and maintenance of the cable system in the Franchise Area as necessary to monitor the Grantee's compliance with the provisions of this Franchise Agreement.~~

(d) ~~Technical standards. The Grantee shall comply with all applicable technical standards of the FCC as published in subpart K of 47 C.F.R. § 76. To the extent those standards are altered, modified or amended during the term of this Franchise, the Grantee shall comply with such altered, modified or amended standards within a reasonable period after such standards become effective. The Franchising Authority shall have, upon written request, the right to obtain a copy of tests and records required to be performed pursuant to the FCC's rules.~~

(e) ~~Maintenance of books, records and files.~~

(1) ~~Books and records. Throughout the term of this Franchise Agreement, the Grantee agrees that the Franchising Authority may review the Grantee's books and records regarding Customer service performance levels in the Franchise Area to monitor the Grantee's compliance with the provisions of this Franchise Agreement, upon reasonable prior written notice to the Grantee, at the Grantee's business office during normal business hours and without unreasonably interfering with the Grantee's business operations. All such documents that may be the subject of an inspection by the Franchising Authority shall be retained by the Grantee for a minimum period of three (3) years.~~

(2) ~~Proprietary information. Notwithstanding anything to the contrary set forth in this Section, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature. The Franchising Authority agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives and agents of the Franchising Authority who have a need to know in order to enforce this Franchise Agreement and who agree to maintain the confidentiality of all such information. The Grantee shall not be required to provide Customer information in violation of Section 631 of the Cable Act or any other applicable federal or state privacy law. For purposes of this Section, the terms *proprietary or confidential* include, but are not limited to, information relating to the cable system design, Customer lists, marketing plans, financial information unrelated to the calculation of franchise fees or rates pursuant to FCC rules or other information that is reasonably determined by the Grantee to be competitively sensitive. In the event that the Franchising Authority has in its possession and receives a request under a state "sunshine," public records or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the Franchising Authority shall notify the Grantee of such request and cooperate with the Grantee in opposing such request.~~

~~(Ord. 02-2010)~~

~~Sec. 5-8.—Transfer of cable system or Franchise or control of Grantee.~~

~~Neither the Grantee nor any other Person may transfer the cable system or the Franchise without the prior written consent of the Franchising Authority, which consent shall not be unreasonably withheld or delayed. No transfer of control of the Grantee, defined as an acquisition of fifty-one percent (51%) or greater ownership interest in the Grantee, shall take place without the prior written consent of the Franchising Authority, which consent shall not be unreasonably withheld or delayed. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation or by assignment of any rights, title or interest of the Grantee in the Franchise or in the cable system in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation. Within thirty (30) days of receiving a request for consent, the Franchising Authority shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the Franchising Authority has not taken final action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed granted.~~

The Grantee shall provide workers' compensation coverage in accordance with applicable law. The Grantee shall indemnify and hold harmless the Franchising Authority from any workers' compensation claims to which the Grantee may become subject during the term of this Franchise Agreement.~~~~

(b) ~~Indemnification. The Grantee shall indemnify, defend and hold harmless the Franchising Authority, its officers, employees and agents from and against any liability or claims resulting from property damage or bodily injury (including accidental death) that arise out of the Grantee's construction, operation, maintenance or removal of the cable system, including but not limited to reasonable attorneys' fees and costs, provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify and defend the Franchising Authority within ten (10) business days of receipt of a claim or action pursuant to this Section. ~~(Ord. 02-2010)~~

~~Sec. 5-11. Enforcement and termination of Franchise.~~

- ~~(a) Notice of violation or default. In the event the Franchising Authority believes that the Grantee has not complied with the material terms of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.~~
- ~~(b) Grantee's right to cure or respond. The Grantee shall have forty-five (45) days from the receipt of the Franchising Authority's written notice: (1) to respond to the Franchising Authority contesting the assertion of noncompliance or default; (2) to cure such default; or (3) in the event that, by nature of the default, such default cannot be cured within the forty-five day period, to initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that the cure will be completed.~~
- ~~(c) Public hearings. In the event the Grantee fails to respond to the Franchising Authority's notice or in the event that the alleged default is not remedied within forty-five (45) days or the date projected by the Grantee, the Franchising Authority shall schedule a public hearing to investigate the default. Such public hearing shall be held at the next regularly scheduled meeting of the Franchising Authority that is scheduled at a time that is no less than ten (10) business days therefrom. The Franchising Authority shall notify the Grantee in writing of the time and place of such meeting and provide the Grantee with a reasonable opportunity to be heard.~~
- ~~(d) Enforcement. Subject to applicable federal and state law, in the event the Franchising Authority, after such public hearing, determines that the Grantee is in default of any material provision of the Franchise, the Franchising Authority may:~~

~~(1) Seek specific performance of any provision that reasonably lends itself to such remedy as an alternative to damages or seek other equitable relief; or~~

~~(2) In the case of a substantial default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:~~

~~a. The Franchising Authority shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including two (2) or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety (90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the Franchising Authority has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy, it may then seek termination of the Franchise at a public hearing. The Franchising Authority shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.~~

~~b. At the designated hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be terminated. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Franchising Authority shall be in writing and shall be delivered to the Grantee by certified mail. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Franchising Authority *de novo* and to modify or reverse such decision as justice may require.~~

~~(e) Technical violation. The Franchising Authority agrees that it is not its intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for so-called "technical" breaches or violations of the Franchise, which shall include, but not be limited to, the following:~~

~~(1) In instances or for matters where a violation or a breach of the Franchise by the Grantee was a good-faith error that resulted in no or minimal negative impact on the Customers within the Franchise Area; or~~

~~(2) Where there existed circumstances reasonably beyond the control of the Grantee and which precipitated a violation by the Grantee of the Franchise, or which were deemed to have prevented the Grantee from complying with a term or condition of the Franchise.~~

~~(Ord. 02-2010)~~

~~Sec. 5-12. Competitive equity.~~

~~(a) Purposes. The Grantee and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers and others; new technologies are emerging that enable the provision of new and advanced services to Town residents; and changes in the scope and application of the traditional regulatory framework governing the provision of video services are being considered in a variety of federal, state and local venues. To foster an environment where video service providers using the public rights-of-way can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to Town residents; promote local communications infrastructure investments and economic opportunities in the Town; and provide flexibility in the event of subsequent changes in the law, the Grantee and the Franchising Authority have agreed to the provisions in this Section, and they should be interpreted and applied with such purposes in mind.~~

~~(b) New video service provider.~~

- (1) ~~Notwithstanding any other provision of this Agreement or any other provision of law, if any Video Service Provider ("VSP") (i) enters into any agreement with the Franchising Authority to provide video services to subscribers in the Town; or (ii) otherwise begins to provide video services to subscribers in the Town (with or without entering into an agreement with the Franchising Authority), the Franchising Authority, upon written request of the Grantee, shall permit the Grantee to construct and operate its cable system and to provide video services to subscribers in the Town under the same agreement and/or under the same terms and conditions as apply to the new VSP. The Grantee and the Franchising Authority shall enter into an agreement or other appropriate authorization (if necessary) containing the same terms and conditions as are applicable to the VSP within sixty (60) days after the Grantee submits a written request to the Franchising Authority.~~
- (2) ~~If there is no written agreement or other authorization between the new VSP and the Franchising Authority, the Grantee and the Franchising Authority shall use the sixty-day period to develop and enter into an agreement or other appropriate authorization (if necessary) that to the maximum extent possible contains provisions that will ensure competitive equity between the Grantee and other VSPs, taking into account the terms and conditions under which other VSPs are allowed to provide video services to subscribers in the Town.~~
- (c) ~~Subsequent change in law. If there is a change in federal, state or local law that provides for a new or alternative form of authorization for a VSP to provide video services to subscribers in the City, or that otherwise changes the nature or extent of the obligations that the Franchising Authority may request from or impose on a VSP providing video services to subscribers in the Town, the Franchising Authority agrees that, notwithstanding any other provision of law, upon the Grantee's written request, the Franchising Authority shall: (i) permit the Grantee to provide video services to subscribers in the Town on the same terms and conditions as are applicable to a VSP under the changed law; (ii) modify this Agreement to comply with the changed law; or (iii) modify this Agreement to ensure competitive equity between the Grantee and other VSPs, taking into account the conditions under which other VSPs are permitted to provide video services to subscribers in the Town. The Franchising Authority and the Grantee shall implement the provisions of this Section within sixty (60) days after the Grantee submits a written request to the Franchising Authority. Notwithstanding any provision of law that imposes a time or other limitation on the Grantee's ability to take advantage of the changed law's provisions, the Grantee may exercise its rights under this Section at any time, but not sooner than thirty (30) days after the changed law goes into effect.~~
- (d) ~~Effect on this Agreement. Any agreement, authorization, right or determination to provide video services to subscribers in the Town under Subsections (b) or (c) of this Section shall supersede this Agreement, and the Grantee, at its option, may terminate this Agreement or portions thereof, upon written notice to the Franchising Authority, without penalty or damages.~~
- (e) ~~The term *Video Service Provider* or VSP shall mean any entity using the public rights-of-way to provide multiple video programming services to subscribers, for purchase or at no cost, regardless of the transmission method, facilities or technology used. A VSP shall include, but is not limited to, any entity that provides Cable Services, multichannel multipoint distribution services, broadcast satellite services, satellite-delivered services, wireless services and Internet-Protocol-based services.~~

~~(Ord. 02-2010)~~

~~Sec. 5-13. Miscellaneous provisions.~~

- (a) ~~Force majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the cable system, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This~~

provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary.

- (b) ~~Notice. All notices shall be in writing and shall be sufficiently given and served upon the other party by hand-delivery, first-class mail, certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:~~

- (c) ~~Entire Agreement. This Franchise Agreement, including all exhibits, embodies the entire understanding and agreement of the Franchising Authority and the Grantee with respect to the subject matter hereof and supersedes all prior understandings, agreements and communications, whether written or oral. All ordinances or parts of ordinances that are in conflict with or otherwise impose obligations different from the provisions of this Franchise Agreement are superseded by this Franchise Agreement.~~

- (d) ~~Severability. If any Section, Subsection, sentence, clause, phrase or other portion of this Franchise Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct and independent portion. Such declaration shall not affect the validity of the remaining portions hereof, which other portions shall continue in full force and effect.~~

- (e) ~~Governing law. No provision of this Franchise Agreement shall be amended or otherwise modified, in whole or in part, except by an instrument, in writing, duly executed by the Franchising Authority and the Grantee, which amendment shall be authorized on behalf of the Franchising Authority through the adoption of an appropriate resolution or order by the Franchising Authority, as required by applicable law.~~

- (g) ~~No third-party beneficiaries. Nothing in this Franchise Agreement is intended to confer third-party beneficiary status on any member of the public to enforce the terms of this Franchise Agreement.~~

- (h) ~~No waiver of rights. Nothing in this Franchise Agreement shall be construed as a waiver of any rights, substantive or procedural, that the Grantee may have under federal or state law unless such waiver is expressly stated herein.~~

~~(Ord. 02-2009)~~

### ~~Sec. 5-33.—System service.~~

### ~~Sec. 5-34.—Schedule of rates.~~

~~Utilities, by the acceptance hereof, in consideration of the rights and privileges hereby granted, agrees that it will not at any time during the term hereof establish and endorse any schedule of rates for the Town or its inhabitants which is higher than the schedule of rates effective in the City of Colorado Springs during the same period, and a continued violation of this provision after ten (10) days' written notice thereof given to Utilities by the Town shall, if the Town so elects, terminate all the rights and~~

On the other hand, Utilities shall not at any time during the term hereof be required to sell electricity within the Town for any purpose at a lower rate than is being charged consumers with the City of Colorado Springs for like service, and if a schedule of rates for the Town falls lower than the said rates for consumers within the City of Colorado Springs, shall at any time be lawfully fixed, then Utilities shall have the right and option at its election to surrender all its rights and privileges hereunder and, upon such surrender, the term hereof shall immediately end.

~~(Ord. 02-2009)~~

~~Sec. 5-36. — Payment of tax.~~

~~The Town of Green Mountain Falls, Colorado (hereinafter referred to as "Grantor"), hereby grants a nonexclusive franchise to Peoples Natural Gas, a division of UtiliCorp United Inc., a Delaware corporation (hereinafter called "Grantee"), its lessees, successors and assigns. This repeals the franchise previously granted by Ordinance No. 07-1985. Grantee is hereby granted the right, privilege, franchise, permission and authority to construct, maintain, operate and extend in the present and future streets, alleys, avenues, bridges, public rights-of-way and public places as are now within the present or future limits of~~

~~said Grantor, a natural gas distribution system for the purpose of supplying natural gas or processed gas for all purposes to the inhabitants of said Grantor and consumers in the vicinity thereof, and for the distribution of natural gas from or through said Grantor to points beyond the limits thereof. Grantor further grants Grantee the right, permission and authority to lay, install, maintain and operate over, across and along all of the streets, avenues, alleys, bridges, public rights-of-way and public places of Grantor all mains, services, pipes, conduits and appliances necessary or convenient for transmitting, transporting, distributing and supplying natural gas for all purposes for which it may be used, and to do all other things necessary and proper in providing natural gas service to the inhabitants of Grantor and in carrying on such business.~~

~~(Ord. 2000-01)~~

~~Sec. 5-52. — Term.~~

~~The rights and privileges granted by this franchise shall remain in effect for a period of fifteen (15) years from the effective date of the ordinance codified herein.~~

~~(Ord. 2000-01)~~

~~Sec. 5-53. — Franchise fees.~~

- ~~(a) — In exchange for the franchise granted herein, Grantee shall collect from its residential and commercial customers, but not from the Town, located within the corporate limits of Grantor, and pay to Grantor an amount equal to four percent (4%) of gross receipts derived from the sale, distribution or transportation of natural gas delivered within the present or future limits of Grantor. *Gross receipts*, as used herein, are revenues received from the sale, distribution or transportation of natural gas, after adjustment for the net write-off of uncollectible accounts and corrections of bills theretofore rendered. The amount paid by Grantee shall be in lieu of, and Grantee shall be exempt from, all other occupation, license, excise or right-of-way permit fees or taxes.~~
- ~~(b) — Any consideration hereunder shall be reported and paid to Grantor by Grantee on a quarterly basis. Such payment shall be made not more than thirty (30) days following the close of the period for which payment is due. Initial and final payments shall be prorated for the portions of the periods at the beginning and end of the term of this franchise.~~
- ~~(c) — Grantee shall list the local fee collected from customers as a separate item on bills for utility service issued to customers. If at any time the Colorado Public Utilities Commission, or other authority having proper jurisdiction, prohibits such recovery, then Grantee will no longer be obligated to collect and pay the fee herein contemplated.~~
- ~~(d) — Grantor shall have access to and the right to examine, during normal business hours, those of Grantee's books, receipts, files, records and documents that are necessary to verify the correctness of payments due hereunder. If it is determined that a mistake was made in the payment of any fee required hereunder, such mistake shall be corrected promptly upon discovery, such that any underpayment by Grantee shall be paid within thirty (30) days of the recalculation and any overpayment by Grantee shall be discounted from the next payments due.~~
- ~~(e) — Five (5) years from the date of enactment of the ordinance codified herein, and every five (5) years thereafter until the end of the term as defined herein, Grantor shall review the percentage of Grantee's gross receipts payable to Grantor pursuant to this Article. Grantor shall notify Grantee in writing, no later than one hundred eighty (180) days before each five-year anniversary of the effective date, if it desires to amend the percentage of Grantee's gross receipts payable to Grantor.~~

~~(Ord. 2000-01)~~

~~Sec. 5-54. — Governing rules and regulations.~~

~~This franchise is granted subject to all conditions, limitations and immunities now provided for, or as hereafter amended, and applicable to the operations of a public utility, by the laws of the State of Colorado. The rates to be charged by Grantee for service within the present or future corporate limits of Grantor and the rules and regulations regarding the character, quality and standards of service to be furnished by Grantee shall be under the jurisdiction and control of such regulatory body or bodies as may, from time to time, be vested by law with authority and jurisdiction over the rates, regulations and quality and standards of service to be supplied by Grantee. Provided, however, that should any judicial, regulatory or legislative body having proper jurisdiction take any action that precludes Grantee from recovering from its customers any cost associated with services provided hereunder, then Grantee and Grantor shall renegotiate the terms of this franchise in accordance with the action taken so as to allow Grantee to be made whole economically. In determining the rights and duties of Grantee, the terms of this franchise shall take precedence over any conflicting terms or requirements falling within the scope of a natural gas franchise contained in any other ordinance enacted by Grantor.~~

~~(Ord. 2000-01)~~

~~Sec. 5-55. — Construction.~~

~~Any pavements, sidewalks or curbing taken up and any and all excavations made shall be done in such a manner as to cause only such inconvenience to the inhabitants of Grantor and to the general public as is reasonably necessary; and repairs and replacements shall be made promptly by Grantee, leaving such properties in as good condition as existed immediately prior to excavation. All excavations shall be refilled, construction and maintenance completed and all obstructions shall be removed at the expense of Grantee and to the satisfaction of Grantor. In the event that Grantee shall fail to comply with the provisions of this Section within fifteen (15) days after having been given reasonable notice, Grantor may do such work as may be needed to properly repair said thoroughfare, and the cost thereof shall be repaid to Grantor by Grantee within thirty (30) days.~~

~~(Ord. 2000-01)~~

~~Sec. 5-56. — Maintenance.~~

~~Grantee agrees that, for the term of this grant, it will use its best efforts to maintain facilities and equipment sufficient to meet the current and future energy requirements of Grantor, its inhabitants and industries. While maintaining its facilities and equipment, Grantee shall obtain permits as required by ordinance, except that in emergency situations, Grantee shall take immediate, unilateral actions as it determines are necessary to protect the public health, safety and welfare; in which case, Grantee shall notify Grantor as soon as reasonably possible. Grantee shall keep maps and records showing the location and size of all gas mains laid in said Town. Such maps and records of Grantee shall be subject to inspection at all reasonable times by officials of the Town or duly authorized agents.~~

~~(Ord. 2000-01)~~

~~Sec. 5-57. — Extension of Company facilities.~~

~~Upon receipt and acceptance of a valid application for service, Grantee shall, subject to its own economic feasibility criteria, make reasonable extensions of its distribution facilities to serve customers located within the current or future corporate limits of Grantor. No obligation shall extend to, or be binding upon, Grantee to extend its facilities if Grantee is for any reason unable to obtain and deliver an adequate energy supply.~~

~~(Ord. 2000-01)~~

~~Sec. 5-58. — Relocation of Company facilities.~~

~~If Grantor elects to change the grade of or otherwise alter any street, alley, avenue, bridge, public right-of-way or public place for a public purpose, Grantee, upon reasonable notice from Grantor, shall remove and relocate its facilities or equipment situated in the public rights-of-way, if such removal is necessary to prevent interference and not merely for the convenience of Grantor, at the cost and expense of Grantee. If Grantor orders or requests Grantee to relocate its facilities or equipment primarily for nonpublic purposes or the primary benefit of a commercial or private project, or as a result of the initial request of a commercial or private developer or other nonpublic entity and such removal is necessary to prevent interference and not merely for the convenience of Grantor or other right-of-way user, Grantee shall receive reimbursement for the cost of such relocation as a precondition to relocating its facilities or equipment. Grantor shall consider reasonable alternatives in designing its public works projects so as not arbitrarily to cause Grantee unreasonable additional expense in exercising its authority under this Section. Grantor shall also provide a reasonable alternative location for Grantee's facilities.~~

~~(Ord. 2000-01)~~

~~Sec. 5-59. — Confidential information.~~

~~Grantor acknowledges that certain information it might request pursuant to this franchise may be of a proprietary and confidential nature. If Grantee requests that any information provided by Grantee to Grantor be kept confidential due to such proprietary or commercial value, Grantor and its employees, agents and representatives shall maintain the confidentiality of that information. If Grantor is requested or required by legal or administrative process to disclose any such confidential information, Grantor shall promptly notify Grantee of such request or requirement so that Grantee may seek an appropriate protective order or other relief. Grantor shall use all reasonable efforts to ensure that the confidentiality of Grantee's confidential information is maintained.~~

~~(Ord. 2000-01)~~

~~Sec. 5-60. — Default.~~

~~If Grantee shall be in default in the performance of any of the terms and conditions of this Article and shall continue in default for more than thirty (30) days after receiving notice from the governing body of said Town of such default, the governing body may, by ordinance duly passed and adopted, terminate all rights granted under this Article to Grantee. Said notice of default shall specify the provision or provisions in the performance of which it is claimed Grantee is in default. Said notice shall be in writing and served in the manner provided by the laws of Colorado for the service of original notices in civil actions.~~

~~(Ord. 2000-01)~~

~~Sec. 5-61. — Force majeure.~~

~~It shall not be a breach or default under this franchise if either party fails to perform its obligations hereunder due to force majeure. Force majeure shall include, but not be limited to, the following:~~

- ~~(1) — Physical events such as acts of God, landslides, lightning, earthquakes, fires, freezing, storms, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery, equipment or distribution or transmission lines.~~
- ~~(2) — Acts of others such as strikes, work-force stoppages, riots, sabotage, insurrections or wars.~~

~~(3) — Governmental actions such as necessity for compliance with any court order, law, statute, ordinance, executive order or regulation promulgated by a governmental authority having jurisdiction; and any other causes, whether of the kind herein enumerated or otherwise, not reasonably within the control of the affected party to prevent or overcome.~~

~~Each party shall make reasonable efforts to avoid force majeure and to resolve such event as promptly as reasonably possible once it occurs in order to resume performance; provided, however, that this provision shall not obligate a party to settle any labor strike.~~

~~(Ord. 2000-01)~~

~~Sec. 5-62. — Hold harmless.~~

~~Grantee, during the term of this franchise, agrees to save harmless Grantor from and against all claims, demands, losses and expenses, also including the court costs and reasonable attorney fees of Grantor, arising directly out of the negligence of Grantee, its employees or agents, in the constructing, operating and maintaining of distribution and transmission facilities or appliances of Grantee; provided, however, that Grantee need not save harmless Grantor from claims, demands, losses and expenses arising out of the negligence of Grantor, its employees or agents.~~

~~(Ord. 2000-01)~~

~~Sec. 5-63. — Severability.~~

~~If any clause, sentence or section of this Article is deemed invalid, the remaining provisions shall not be affected.~~

~~(Ord. 2000-01)~~

~~Sec. 5-64. — Nonwaiver.~~

~~Any waiver of any obligation or default under this franchise shall not be construed as a waiver of any future defaults, whether of like or different character.~~

~~(Ord. 2000-01)~~

~~Sec. 5-65. — Repeal conflicting ordinances.~~

~~All ordinances or parts of ordinances in conflict herewith are hereby repealed.~~

~~(Ord. 2000-01)~~

~~Sec. 5-66. — Effective date and acceptance.~~

~~This ordinance codified herein shall become effective upon its final passage and approval by Grantor in accordance with applicable laws and regulations, and upon acceptance by Grantee by written instrument within sixty (60) days of passage by the governing body and filed with the Town Clerk. If Grantee does not, within sixty (60) days following passage of the ordinance codified herein, express in writing its objections to any terms or provisions contained herein or reject said ordinance in its entirety, Grantee shall be deemed to have accepted this ordinance and all of its terms and conditions.~~

Such formula can be represented as follows:~~

~~$$\frac{\text{The incumbent's current liability}}{\text{Total lines of all current providers}} \div 12 = \text{Per monthly line rate}$$~~

~~-~~

(2) ~~The tax levied against each provider shall be calculated each August, shall be effective on the following January 1 and shall be payable on a quarterly basis, specifically, on March 31, June 30, September 30 and December 31 of each year.~~

(3) ~~Each new provider that first becomes subject to this Article during any calendar year shall calculate its tax for that calendar year, as stated in paragraph (1) above, using as the number of provider lines, the number in the new provider's initial line count under Section 5-84. Each such new provider shall prorate the tax from and including the month of the effective date, under Section 5-83, through the end of that calendar year. Each such new provider that first becomes subject to this Article within the first ten (10) months of a tax year shall pay that prorated tax in equal quarterly payments, beginning the month of its statement of new provider's initial line count under Section 5-84 of lines, and ending December 31 of that tax year. Each such new provider that first becomes subject to this Article during the last two (2) months of the tax year shall pay its total prorated tax within sixty (60) days of the effective date. For each such new provider, the tax for the following year shall be computed as stated in paragraph (2) above, using, as the number of provider lines, the number in either the new provider's initial line count, or its June 30 statement of lines for the preceding year (if any), under Section 5-84, whichever statement comes later.~~

~~(Ord. 16-1984 §2; Ord. 98-01 §2)~~

~~Sec. 5-84. — Initial and annual statements of company lines.~~

~~An incumbent provider shall, on January 2, 1998, determine the total number of lines for which it then provides basic local exchange service within the Town (the base line count), and shall, by March 15, 1998, file with the Town Clerk a statement showing its determined total number of lines. On June 30 of each calendar year, each provider then subject to this Article shall determine the total number of lines for which it then provides basic local exchange service within the Town. By July 30 of the same calendar year, each such provider shall file with the Town Clerk a statement showing its determined total number of lines. In addition, a new provider that first becomes subject to this Article during any calendar year~~

shall, thirty (30) days after that new provider's effective date under Section 5-83, determine the number of lines for which it provides basic local exchange service within the Town (new provider's initial line count), and shall file its statement of that number within sixty (60) days after the effective date. All statements shall be in such form as the Town Clerk may require, including oaths, verifications or acknowledgments.

~~Sec. 5-85. — Failure to pay; penalty; Town action to collect.~~

~~If any provider subject to this Article fails to pay the taxes as provided in Section 5-82, the full amount thereof shall be due and collected from such company, and the same, together with an addition of ten percent (10%) of the amount of taxes due, is a debt due and owing from such provider to the Town. The Town Attorney, upon direction of the Board of Trustees, shall commence and prosecute to final judgment and determination, in any court of competent jurisdiction, an action at law to collect the debt.~~

Upon the permittee's failure to accomplish such work, the Town may perform such work at the permittee's expense and the permittee shall reimburse the Town within thirty (30) days after receipt of a written invoice. Following relocation, all affected property shall be restored to, at a minimum, the condition which existed prior to

The provisions of Sections 1401, 1402, 1413 and Part 16 of the adopted Model Traffic Code, respectively concerning reckless driving, careless driving, eluding a police officer and accidents and accident reports shall apply not only to public places and ways but also throughout this municipality.

The Colorado Municipal Court Rules of Procedure shall apply to proceedings in which the defendant is charged with such noncriminal traffic infractions, except that no warrant for arrest shall be issued for the defendant's failure to appear when the only violation charged would constitute a noncriminal traffic infraction. Instead, the court may enter a judgment of liability by default against the defendant for any such failure to appear; assess any penalty and costs established by law; and report the judgment to the Colorado Department of Revenue, Motor Vehicle Division, which may assess points against the defendant's driving privileges and may deny an application for or renewal of the defendant's driver's license until the judgment and all other lawful costs are satisfied. Further, no writ of mittimus shall issue where the only basis for the fine and costs imposed was the finding of guilty or liability for a noncriminal traffic infraction.

(c) Any defendant charged with a criminal traffic offense, as defined in Subsection (a) of this Section, shall have the right to demand a trial by jury upon compliance with the provisions of Colorado law and the Colorado Municipal Court Rules of Procedure. No defendant shall have a right to a trial by jury for any noncriminal traffic infraction, as defined in Subsection (b) of this Section. In the event that a defendant is charged with more than one (1) traffic violation arising out of the same incident and at least one (1) of the charged violations is listed in Subsection (a) of this Section, the defendant shall have the right to demand a trial by jury as to all such offenses, which shall be consolidated for purposes of trial.
