3. Persons Present Not on the Agenda, 3 Minutes per Speaker

Resident Blasi shared public comment. Adrian Knight from CUSP shared public comment.

4. Consent Agenda

Member Scott moved to approve. Second by Member Bowman. Motion passed unanimously.

5. Reports

Discussion opened on the draft evacuation plan presented by Member Bowman. Members focused discussion on next steps for the evac plan, the creation and inclusion of detailed map, location of community notification sirens, and evac routes. Members Scott and Bowman planned to meet to create the maps. Members agreed to have a final draft of the evac plan by the 5/26/2021 FMC meeting.

Member Battin provided a report on fuels mitigation efforts including meeting with CUSP. Member Battin also provided an update on a potential mitigation project off Iona Ave on public property. Member Battin shared that he planned on creating a detailed plan with costs to present to the FMC and BOT in the future. Member Battin continued with an update on the possibility of creating a regional partnership to minimize costs to the Town. Member Battin then went on to provide an update regarding correspondence between himself and Planning Commission Chair Todd Dixon on the Wildfire Urban code and potentially including provisions on the Town's Planning and Land Use Code. Member Battin ended with an update on mitigating nuisance trees on private property. Members engaged in discussion on the nuances and costs associated with the Iona Project. Members agreed to make the Iona project a high priority going forward.

Chair Douglas brought up the necessity to educate STR's on fire mitigation efforts. Members then discussed the sharing of educational materials with the public.

6. New Business

Members tackled the majority of New Business during the Reports agenda item. Members planned to have cost estimates by the 5/26/2021 FMC meeting.

Chair Douglas requested to have an FMC update on the next BOT agenda.
