Town Staff Present

Matt Gordon

1. Call to Order/Roll Call/Pledge of Allegiance

Parks, Recreation, and Trails meeting called to order at 3:02pm.

2. Additions, Deletions, or Corrections to the Agenda

Chair Stroope moved to rearrange the agenda moving item 6b to before item 4. Members agreed.

3. Persons Present Not on the Agenda: 3 Minutes per Speaker

4. New Business 6B

Chair Stroope provided a quick background regarding the Fitness Court Proposal and recused himself from the topic.

Trent Matthias, from the National Fitness Campaign, shared a video and presentation regarding the Fitness Court Proposal. The video included details regarding the organization's goals and plans and the setup and aesthetic design of its outdoor gyms. The presentation went into further detail on its campaign elements, programming, a mobile app, the materials and quality of the gym's features, design and planning consulting, campaign services, launch and public relations, the program nationwide, and the nuances of the Keith Haring Fitness Court program in 2021.

Historic Green Mountain Falls Foundation has offered to provide funding for the project as well as assistance on the licensing and maintenance of the Fitness Court. Historic Green Mountain Falls Foundation is requesting that the Town provide usable restrooms at Pool Park and that donors would need to provide funding for the concrete pad.

Matthias shared that the project would cost around \$200,000 as well as \$10 to 15k at most \$20k for a concrete pad, installation takes about 4 days after concrete.

Members shared that they were in favor of pursuing the project, but some members shared reservations regarding the Town's ability to provide maintenance to Pool Park.

Vice Chair Kita moved to work on details of the Fitness Court proposal and to provide an outlined Fitness Court proposal to the Bot. Seconded by Ochkie. Motion passed 4-0. Stroope recused himself.

5. Consent Agenda

Vice Chair Kita moved to approve consent agenda. Second by Member Gafford. Unanimous.

6. Old Business

Chair Stroope provided an update on the creation of trail maps. Maps will be completed by June 22nd.

Chair Stroope provided an update on the virtual trail head/new welcome center and asked Town Clerk/Treasurer Gordon about the steps for how a project begins in Public Works. Gordon provided a short overview of the steps and recommended coordinating with the Town Manager regarding Public Works direction. Members continued discussion regarding the welcome center and coordination with Town staff.

Chair Stroope read an email from Trail Ambassador Volunteer Coordinator Nancy Dixon regarding an update on the Trail Ambassador program.

7. New Business 6A

Member Ochkie provided an update on trails that are in immediate need of maintenance and suggested creating an agreement with the Town and the Friends of Ute Pass Trails to provide maintenance.

Trail Improvements for the 2021

General (all trails): lop & prune vegetation overgrowth. Especially noticeable given recent consistent rainfall

Remove roots and trip hazards. Hand saw or dig to remove.

- Catamount: 5 instances on climbing switchbacks prior to reaching the Valley Overlook
- Bratton: aspen stumps 4-5" high close to Catamount intersection
- Thomas: numerous exposed roots on trail surface

Specific Improvements

- Thomas: above top of Boulder St: area of erosion. Shore up with log cribbing or rocks
- Bratton: muddy spring crossing, shore up with available rock, create stepping stones
 - clear wind-caused debris from trail leading down to drainage in deepest woods.
- Catamount: remove thistle in Garden of Eden (need thick gloves)

Volunteers will complete and sign required Town of GMF waiver and turn in to PRT rep. Small groups will keep PRT apprised of progress made / work completed on the above.

1 Iconic Sites

Visibility plays a key role in bringing power and excitement to the Fitness Court.

2 Accessibility

To support the campaigns' initiative of world class free fitness for all, the Fitness Court should be placed in a publicly accessible area.

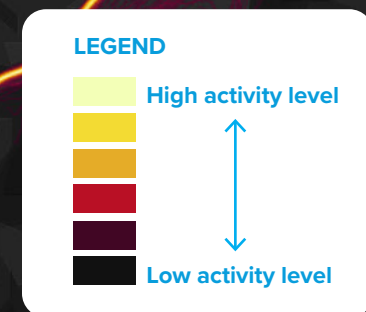

3 Connectivity

The Fitness Court is designed as a piece of healthy infrastructure that pairs with city parks, trails and pedestrian infrastructure.
