Re: Funding FMAC Fire Fighter Appreciation Event

### **Recommendations**

The FMAC requests up to \$500 for an FMAC sponsored event with the GMF Fire Department. On August 3, 2024 (from 11 am to 2 pm), FMAC and the Fire Department will cohost a fire mitigation educational/appreciation event at the GMF Firehouse. It will also be an opportunity for the community to meet and thank their volunteer firefighters. The community will see their tax dollars at work by showcasing the new Fire House. Food will be offered. The Fire Department will be using this event to put out a “Boot” for donations towards new radios. We are also hoping that it may be a good showcase for possible new recruits. It will be a family event with Smokey Bear, photo ops for kids on fire trucks, games, and demos of fire extinguishers and fire blankets, etc. Our goal is that this will be an annual community event. No doubt we will learn from our successes as well as our failures and make it an increasingly successful event.

### **Background**

The Fire Mitigation Committee has worked closely with the Fire Department on Chipper Days. The GMF Fire Department is a volunteer department and this event will serve as a way to continue the town’s support of our joint missions in fire prevention and mitigation. The GMF Fire Department had used the Bronc Day Pancake Breakfast for their community event. The Fire Department hasn’t had that event for the past few years as it took too much time from their small department of 11 firefighters. Chief Murphy reports that past pancake breakfasts at the old GMF Fire House drew up to 300 people. The Chief is hopeful that 150 people will attend this event. FMAC/GMF Fire Department will market the event with flyers, social media posts, etc. In working together, FMAC and the Fire Department can make this a successful event.

### **Discussion**

### **Alternatives**

- 1) Take no action.
- 2) Vote to approve.
- 3) Request additional information.
