The Town of Green Mountain Falls has been working to make materials accessible since September 2023. Since January 1st, 2024, the town web site has been screened for un-labeled links and empty links, color contrast issues, invalid nested headers and missing alternate text on images. Additionally, staff, elected officials and committee members were trained to produce accessible documents. Portions of documents supplied by third parties were identified and labeled.

New material posted to the town website is made accessible before posting to meet the July 1st, 2024 requirement. Older material will be archived and made accessible upon request. Please reach out to the Town Clerk at 1-719-684-9414 X1 or clerk@gmfco.us to make any requests.

We are utilizing guidance provided by the Colorado Governor's Office of Information and Technology.
