

The Town of Green Mountain Falls

Public Works Equipment Operator Full Time Job Announcement

Position Title: Public Works Maintenance Worker II
Announcement Date: April 25, 2023
FLSA: Covered – subject to overtime pay
Application Deadline: Open until filled.
Compensation Range: \$17.80 - \$19.30 DOQ
Work Schedule: PRN, scheduled as needed. Actual hours will vary based mainly on weather-related needs. There may be periods of time when no work is scheduled. Schedule to be set by Town Manager with recommendations from Public Works Staff.

General Statement of Duties: With a strong reliance on the Town's heavy equipment inventory, conducts road maintenance and snow removal activities. Assumes the obligations of full-time and part-time Public Works staff during times of inclement weather and/or when permanent staff is unavailable due to extraordinary workload. This position is FLSA covered. It is anticipated that the workload will may require forty hours per week, with occasional overtime as needed to respond to weather needs and community events. Please see the full position description for a complete listing of duties.

Qualifications, Education, and Experience:

- Valid Colorado CDL driver's license, or the ability to obtain such license.
- High school graduate or GED equivalency required.
- Five or more years of experience in road maintenance preferred, including grader operation.

Any equivalent combination of education and experience may substitute for the specific requirements listed here.

Application Procedure:
